March 26, 2018

Dear Parents and Students,

For twenty-one years, West Phoenix High School has made the safety of our students a priority. On Thursday March 29, 2018, West Phoenix High School will be conducting an active shooter training on our campus with the Phoenix Police Department's Tactical Training Bureau. Our teachers, staff, and students will be in a training simulation for approximately two hours on that day. The campus will be closed off during the training and simulations from approximately 11:45 am - 2:10 pm. The active shooter training will go over several different scenarios in order to educate students on procedures conducted by the school, as well as what to expect from the Police and first responders in active shooter situations.

This training is something we believe is important for our students and staff. Should a parent have any questions or concerns, please contact the school to speak with one of our administrators. I will even be holding an open forum meeting to discuss the training on Wednesday March 28th from 5:00-5:30 pm at West Phoenix in the multi-purpose room to answer any questions regarding the training.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alex Horton", is written over the printed name.

Alex Horton

Principal
