Dear West Phoenix High School Parents and Families,

You may have heard on social media or through news reports about a teacher walk-out which will occur on April 26th and will impact several school districts.

We want you to know that West Phoenix High School will continue to be OPEN and serve our students, families, and communities until the end of the school year. We will also continue to provide our students exceptional educational opportunities for academic, social, and emotional growth each and every day at WPHS. Buses will continue to transport students. Our school will continue to serve breakfast and lunch, and our teachers and staff will continue to provide a caring, nurturing, and engaging academic environment to meet the needs of ALL students.

At West Phoenix High School, we strongly support increased education funding that can and will make a meaningful difference in our classrooms. Thank you for your continued support of West Phoenix, our students, and the teachers and staff as we work together to make a difference at WPHS. If you have any questions, please do not hesitate to call our office at 602-269-1110.

Sincerely,
